Membership details

The details provided below form the basis for calculation of the annual membership fees for the Swedish Trade Federation and the Confederation of Swedish Enterprise. The total salary refers to gross salary paid during the previous year. The number of employees shall be converted into full-time equivalent workers.

Information for the Swedish Trade

Excluding CEO, owners and family members. Relates to the previous year. Part-time is converted to full-time.

Number of (workers)	Total gross salary in TSEK (workers)
Number of (salaried employees)	Total gross salary in TSEK (salaried employees/others)
Total annual number of employees including CEO/owners/family	Total gross salary in TSEK (including CEO/owners/family)

Annual reporting of membership data

Each year, the company needs to report data which forms the basis for the calculation of the annual membership fee, via www.medlem-suppgift.se. Information will be sent to the contact person named below at the beginning of each year.

Contact person	E-mail address
----------------	----------------
